Subject: LWG modeling meeting Dec 1st
Date: 11/22/2010 01:37 PM

Do you know if the December 1st meeting/call is going to happen? If so, are there any materials forthcoming? As far as I know, I'm the only one from DEQ who may be participating. Whether or not I participate depends on what the meeting is shaping up to be....

Thanks

Karen Tarnow
